Practice Areas

Di Wu's main practice areas are dispute resolution, compliance, and risk control.

Di Wu has long provided legal services related to the automotive industry and is particularly adept at dispute resolution concerning automotive product quality. From 2017 to 2021, Di Wu assisted the former Daimler AG in handling a large number of product liability disputes, sales fraud disputes, and insurance company subrogation disputes involving passenger cars and trucks in mainland China. Since 2022, Di Wu has joined Global Law Office and has been entrusted by Mercedes-Benz (China) Ltd., Volkswagen Group Import Company Limited, Beijing Electric Vehicle Co., Ltd., Beijing Mercedes-Benz Sales Service Co., Ltd., and Fujian Benz Automotive Co., Ltd. to continue handling various types of litigation cases as well as customer complaints, including product liability, sales fraud, etc.
