Practice Areas

Haiyang Hu's primary practice areas include Mainland China's capital markets, private equity investment and financing, mergers and acquisitions, and Company's routine legal services. With over ten years of extensive practical experience in these fields, Haiyang Hu excels at achieving the best balance of interests and creating win-win outcomes for all parties involved in transactions. Prior to joining Global Law Office, Haiyang Hu worked at another top-tier law firm specializing in capital markets.

In the field of capital markets, Haiyang Hu has led several landmark projects, including representing Yonghe Shares (605020) in its A-share IPO on the main board, Lutron Technology (300555) in its A-share IPO on the ChiNext board, representing Yonghe Shares (605020) in its convertible bond issuance and private placement of shares, Zhongtian Technology (600522) in refinancing and mergers and acquisitions, Huachangda (300278) in refinancing, Hand Enterprise Solutions (300170) in its share issuance for asset acquisition, Trina Solar in its corporate bond issuance, and GCL-Poly Energy Holdings in its acquisition of a controlling stake in Xieke Environmental (002015), among others.

In the private equity and mergers and acquisitions space, Haiyang Hu has represented renowned investment institutions such as Yuanhe Puhua, Shenzhen Capital Group, Guoqi Yuanhe, Zhongmin Investment, Jifeng Capital, Taiping Life Insurance, Bank of Communications Capital, and Digital China in numerous private equity investments in various enterprises. He has also assisted numerous startups with equity structure design, restructuring, private equity financing, and employee stock option plans. Additionally, Haiyang Hu has represented many listed companies and medium-to-large enterprises in completing multiple mergers and acquisitions.

In the area of corporate governance, Haiyang Hu provides ongoing legal counsel and capital operations services to several A-share listed companies, including Zhongtian Technology (600522), Zhichun Technology (603690), Lifan Technology (601777), Yonghe Shares (605020), Shantui Construction Machinery (000680), Daye Intelligent (300670), and Hefei China (603122).
