Practice Areas

Song Xie specializes in dispute resolution, corporate and mergers and acquisitions, real estate and construction engineering, compliance and risk control, private equity and investment funds.

In commercial litigation and arbitration, Song Xie has represented multiple complex commercial dispute cases involving real estate, equity investment, construction engineering, manufacturing, finance, and other industries. He is skilled in designing litigation plans and courtroom debates, emphasizing the comprehensive application of legal theory, commercial rules, and physical evidence technology to communicate with the judicial authorities, and has achieved good agency results.

Song Xie has extensive experience in the fields of corporate mergers and acquisitions, compliance, and risk control. He has completed multiple equity investment, equity acquisition, equity incentive, equity structure design, and corporate governance projects, and can comprehensively apply legal and management knowledge to provide in-depth services to clients.

With professional service level and strong service awareness, Song Xie has served dozens of enterprises including Wuliangye Co., Ltd., Yaguang Electronics, Kaiyuan Group, Baitu Co., Ltd., Qinghong Energy Group, Huayu Electric Power, Bawo Real Estate, China Evergrande Group, Lianjia, CITIC Construction, Gansu Second Construction, Qianjia Technology, Xiansheng, Sports Industry Group, Juwei Zhiben, Longxiang Co., Ltd.

Accomplishments

- “Pan Hongzhong in the copyright dispute case against Sichuan Postal Company and China Post Group Sichuan Philatelic Branch” - Top Ten Typical Cases of Courts in Sichuan Province by the Sichuan Provincial High People's Court in 2015.
- The case of “complex equity transfer dispute involving low transaction price effectiveness” - 2023 Outstanding Transactions and Cases in China list by Legal One and awarded the “Remarkable” rating.
