Practice Areas

Yi Peng's main practice areas focus on dispute resolution and energy & mining.

In the field of dispute resolution, Yi Peng, with profound legal skills, has extensive experience in litigation and arbitration cases. He has successfully represented hundreds of litigation and arbitration cases involving commercial disputes in various sectors such as banking and trust, investment and financing, equity transfer, commercial trade, real estate and construction, etc., all of which have achieved good representation results.

In the field of energy & mining, Yi Peng has rich experience in both non-litigation and litigation. He has provided long-term legal consultancy services, specialized legal services and entrusted representation services for dozens of enterprises and institutions, such as China Resources Gas Investment (China) Co., Ltd, Chengdu Gas Group Corporation Ltd. (603053), Shenhua Sichuan Energy Co. LTD, Sichuan Gas Group Co., Ltd, and Sichuan Gas Association. Also, he has undertook a number of disputes over gas franchises in Sichuan, which have been unanimously recognized by clients. In addition, Yi Peng has participated in the revision of local laws and regulations such as the Sichuan Gas Management Regulations, and has rich practical experience and deep theoretical knowledge in the field of energy & mining.

Work Experience

Yi Peng joined Global Law Office in 2020. Prior to that, Yi Peng practiced dispute resolution, energy & mining at Jincheng Tongda & Neal.
