Practice Areas

Mr. Yongyao Ye is a partner of our Beijing Office. He is specialized in Dispute Resolution, Compliance and Risk, Construction and Real Estate, and Private Client/Wealth Management. Mr. Ye has participated in the investment and mergers and acquisitions projects of several large real estate companies. He has served as a special legal consultant for many state-owned enterprises' construction projects. At the same time, he has provided perennial legal advisory services for many state-owned enterprises, listed companies and Internet enterprises. The industry covers telecommunications, Internet, high-tech, real estate, infrastructure, hotels, media, etc.

Mr. Ye has extensive experience in dispute resolution. In the process of practicing, he handled a large number of major litigation and arbitration involving disputes in real estate and construction projects, investment and financing fields; major and complex commercial litigation and arbitration such as equity transfer, company cooperation disputes; various types of contract disputes litigation and arbitration; and criminal-civil cross-case, etc.

Work Experience

Mr. Ye joined Global Law Office in 2012. Prior to joining GLO, Mr. Ye has worked in Zhonglun Law Firm for dispute resolution, real estate and project construction business.
