Practice Areas

Zhenlin Ma is a partner based in Beijing office. His main practice areas focus on domestic litigation, arbitration, alternative dispute resolution of various commercial disputes, and business related to corporate liquidation and bankruptcy. He is highly experienced in handling disputes over asset management, M&A and restructuring, finance, and business regarding company's voluntary liquidation, bankruptcy liquidation and reorganization.

Zhenlin Ma has dealt with plenty of typical and influential dispute resolution cases: representing several best-known securities corporations in handling disputes over stock pledge repurchase contracts; representing a famous securities corporation in handling disputes over a series of bonds trading; representing a well-known securities corporation in handling disputes over fund contracts; representing an investment company in handling disputes over fund contracts; representing several trust and asset management companies in litigations requesting the courts to confirm creditors' rights; representing many financial institutions including banks and trust companies in handling financial loan contract disputes; representing a listed corporation and its affiliated corporations in handling a series of disputes over financial loan contracts and financial lease contracts.

Meanwhile, Zhenlin Ma has participated in numbers of major bankruptcy and reorganization projects, either as the investor's legal counsel, or the creditor's legal counsel, or the member of administrator. Typical and influential cases include: representing Bloomage Biotechnology Co., Ltd. as an investor to participate in the bankruptcy reorganization of 11 companies in Dongchen Group; representing a large joint-stock bank in the reorganization project of Yunnan Coal Chemical Industry Group and several affiliated corporations; representing a large state-owned company in the bankruptcy reorganization project of Chongqing Iron and Steel Co., Ltd.; representing a famous Korean company in the bankruptcy liquidation project of Zhejiang OUHUA Shipbuilding Co., Ltd.; handling several bankruptcy cases as a member of the administration team.

Zhenlin Ma has served CITIC Securities, Huarong Securities, New Times Securities, Tonglian Capital, Bank of China, HSBC, Minsheng Bank, Pingan Bank, Sino Light Group, CR Power, Beixun Group, Asiainfo Group, etc.
